

STESO Summer School 2016:

EQUITY - WHAT IS IT IN HEALTH CARE?

Organizer: Association of Health Promoting Hospitals and Organisations in Finland in collaboration with The Task Force Migrant-friendly and Culturally Competent Healthcare

Time: August 25-26, 2016

Venue: PSSHP, Big meeting room, Biokatu 12, building Fin-Medi 5, 33520 Tampere, Finland

Dear member of HPH,

Health Promoting Hospitals and organisations in Finland arranges a Summer school on Equity in Health Care. The programme follows the Standards for equity in health care for migrants and other vulnerable groups published in 2014. The Finnish translation of the standards will be released at the Summer school. All the lectures are in English.

The Summer school programme is free of charge. The meals mentioned in the programme must be paid by the participants themselves except coffee breaks. There are two restaurants nearby.

Accommodation: All the participants are responsible for their own accommodation and the expenses related to it. There is a limited amount of double rooms in Hotel Norlandia reserved for the participants (code: **KII250816**) till 25th of July.2016. Chargeable parking is available in the area. <http://www.pshp.fi/tayskartta/>
